

Petr Shirin

JUNIOR JAVA DEVELOPER

Prompt message to a prospective employer:

Dear employer, I aspire to become a Backend Developer and am willing to learn and progress with your company.

Committed to building interactive and modern web applications and improving coding skills. Seeking an opportunity to contribute to a dynamic team and gain hands-on experience in a professional setting.

Employer requirements and job expectations:

I am looking for a company that:

- Seeks to utilise modern technology
- Proposes projects with a cross-functional and friendly working environment
- Supports and promotes professional growth

Education:

Major in Mechanical Engineering

Togliatti State University, 2008-2013

Junior Java Developer Course

intellekt-a.com, 2023

Work Experience:

I have non-commercial experience of developing web-applications for 1 year. My recent pet projects include:

- Built user interfaces using HTML, CSS and JavaScript
- Maintained connection with database for receiving and sending queries using Java and Spring
- Performed unit testing to identify and address bugs
- Collaborated with mentor to implement Java backend solutions

Skills:

- CSS
- HTML
- Java
- JavaScript
- SQL
